Since it's a bad habit to interfere with the habits of other people I won't say a word about drawing trumps at your first opportunity. I'll just report the facts.

Today's South put up dummy's queen of diamonds, but East covered with the king. South took the ace of diamonds and drew trumps without delay (and without thinking).

South then had to rely on the club finesse. Down one. South should make the slam. He takes the ace of diamonds, leads a heart to the ace and ruffs a heart high. The five of spades to dummy's nine lets him ruff another heart high.

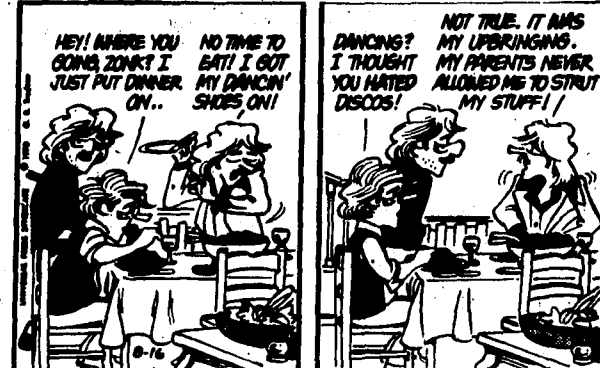

South leads a high trump to the queen and ruffs a third heart high. South finally leads the deuce of trumps to dummy's three and cashes the last heart to discard a diamond. The slam is now assured.

The correct play includes drawing trumps, but South must use each round of trumps as an entry for a ruff. Good habits are based on good timing.

DAILY QUESTION: Partner opens with one notrump (16 to 18 points), and the next player passes. You hold: Spades-7 4; Hearts-Q 10 7; Diamonds-K J 6 4 2; Clubs-8 6 2. What do you say?

ANSWER: Pass. The combined count is 22 to 24 points, and 26 points are usually needed for game. Let partner have an easy hand to play.

accept challenge and responsibility. Be positive concerning legal rights.

AQUARIUS (Jan. 20-Feb. 18): Accent on light touch, basic services, getting together with one who shares your work interests. Keep resolutions concerning diet, nutrition and health.

PISCES (Feb. 19-March 20): You are stimulated by new hope and a very special person. Stress independence, initiative, willingness to shake off any sign of lethargy. You get proverbial second chance for happiness and fulfillment.

If Aug. 17 is your birthday, you seldom do things halfway — for you, it is all or nothing. Many persons feel that you go to extremes. Others rely on you to finish what has been started, to provide leadership and inspiration. November could be one of your most memorable months of 1979, a year featuring changes in lifestyle, possible acquisition of a home and significant domestic adjustment. Financial pressures will be relieved, you'll make valuable social and business contacts before the month of August is finished.
